

Be zealous about your leadership, passionate and persistent in your focus and inspire others to dream and set their goals high. Great leaders create the drive and passion so that others want to follow in their footsteps. To be successful and achieve high results in any senior role or in your own business means having a key set of skills and a high performance business mindset to ensure you and your team are a success. Our mindset creates the future and the having the team in place gets you there. Having a performance coach is the missing link! Surrounding yourself with positive people is the key. That's where Amovita can assist.

We work from a high performance mindset ensuring our professionals that work with you are positive and entrepreneurial in their nature and approach. Great leaders value their team and are highly positive in their approach. Great leaders know the key drivers of excellence in the workplace.

Amovita works with many managers and executives in pursuit and maintenance of high performance in the workplace and brings a partnership approach in support of you in your role. We assist you to build the team and outcomes you really want. We know you know your business; we support you to bring that extra touch to enable you to reflect on yourself, your leadership and how you inspire your team.

### What Amovita Offers

Through our executive management coaching service we provide one on one coaching, team coaching of senior and executives managers. We also provide regular coaching sessions to maintain high performance via individual sessions or tailor a package of sessions where you determine the time and frequency to suit your needs.

One of the key services we provide is our CEO and Executive Mastermind groups and Retreats. We bring leaders together in an environment that allows you to stop and reflect on what you do well and hear from others about how things can even be better in your business or organisation. We also bring in highly successful leaders to inspire the group and share their stories of success.

Our executive and management coaching program focuses on:

- Developing a high performance mindset for success
- Transactional vs Transformational Leadership
- Strategy canvassing and planning
- Recruiting for success
- Building better relationships
- Driving 'Formula 1' outcomes
- Breakthrough your negative beliefs and emotions
- Communication with your team so they feel valued
- Management style assessment
- Business planning for the Blue Ocean
- Cultivate a dynamic environment
- Leadership for positive influence
- Mastermind groups
